## THEMED STAYS AT HOTEL RE!

words LOUIS LAW

Fretting over your travel itinerary? Rest your bones with the newly launched "Themed Stays" at the funky fresh Hotel Re!. Whether you are an old-school enthusiast, adrenaline junkie, hopeless romantic, or a couch potato, Hotel Re!'s five themes promises to have something for everyone.

Pamper yourself in decadence with Re!treat, a real proven crowd pleaser. Wine, dine, clandestine with a partner at the Key to your Heart Candlelight Dinner for two and indulge in evening of epicurean pleasures. End your decadent evening with a soothing massage for two at Re!fresh Wellness Centre.

The last Indiana Jones movie may have forced Harrison Ford's retirement, but don't let that deter your inner dare-devil from experiencing a Re!el Adventure! Grab your two Sentosa Play Passes and shimmy down its sunny shores for an exciting skyride across the resplendent Sentosa skies - be sure to try the other adrenaline-pumping activities while you're there!

Frolic in naughty-nice paradise with Re!gal Love. Love-birds can treat themselves to a romantic time in the skies on the Sentosa Cable Car ride or dine in the breathtaking sunset with your lovely companion at the Jewel Box.

Jive to the city beats while

you walk down memory lane with the Re!tro Funk themed stay. Culture vultures can expect informative and entertaining presentations while exploring Singapore's rich heritage on The Hippo River Cruise and City Sightseeing Tours.

Finally, for those who really just want to stay-in all day, cosy up in bed and do absolutely nothing (highly enjoyable), then Re!lax is just the perfect theme for you. Laze your days away at Re! Hotel and lose yourself to the Tao of Chill. Peace.
