Ms Jolene Chong, Deputy General Manager

Located at the heart of the city, Hotel Re! is the perfect choice be it for your accommodation or event requirements. Hotel Re! encloses our guests in a serene and scenic environment whilst being just a stone's throw away from attractions like Chinatown, Clark Quay and the famous shopping district, Orchard Road. Shuttle bus transport service is also provided for the convenience of our guests.

All guestrooms are furnished with unique Re!tro inspired furniture and complimented with ultra modern technology for that extraordinary Hotel Re! touch. Be amazed by our glittery mosaic-tiled bathrooms and luxurious L'Occitane amenities

available in our higher room categories. Each floor in this boutique hotel has its own colour theme and all rooms on the floor resonate with the designated colour and décor.

With the launch of our new ballroom, Re!Joice, we have expanded our capabilities to host events from small meetings to large conventions of up to 600. It can also accommodate events of up to a thousand guests with the combination of both indoor and outdoor areas. Coupled with our experienced operations team, this alfresco ballroom is perfect for product launches, D&Ds, team building and themed parties. Re!Union, Re!Tune and Re!Call function rooms are versatile areas that can accommodate up to 120 people comfortably. Re!Union also features an exclusive alfresco viewing area on the 2nd level overseeing a wide outdoor area on the 1st level. This space can be utilised for special events, most notably from our history, a racing car drift demonstration. Re!Fine is an exclusive private function room that is ideal for intimate parties, dinners, corporate luncheons or meetings and can be transformed into a cocktail lounge or a cozy venue for events from 2 to 30 guests.

Ask for a proposal from our Hotel Re! team today and be impressed by the unique experience we have to offer.

Name of Rooms	Banquet (buffet/cocktail)	Banquet (sit down)	Boardroom	Classroom	Theatre	U-Shaped
Re!Fine	20	20	16	12	25	10
