## HOW WE ACHIEVE WORK-LIFE BALANCE

When you only have 24 hours in a day, it's hard to juggle your career, kids and try to find some "me" time. Yet, these accomplished women - Angeline Tan, Gladys Wong, Alicia Yi and Nina Yang - manage to do it. From managing a household of 13 to surviving a heartbreaking divorce, they will share interesting anecdotes about their lives, as well as tips and pointers on how they manage their time. Participants will get a L'Oreal Paris goodie bag containing a Youth Code Concentrate worth \$45.90 and an RV Double Concealer worth \$29.90. Join us for lunch after the session.
